**Subject:** ESA FRN  
**Attachments:** track changes.docx

As discussed, I am attaching a track change version of the FRN that shows the edits made since Dave sent us the passback last week. These reflect edits from Sandy E, Simma, Ruth and me. Largely minor editorial and adding in new template language regarding the docket given covid. Please let me know if you have any edits and when you are ready for it to go to OW.

Thanks!
